

on trucks, they pay it on supplies. I can't support the bill in the form that it is now. I think that if we add the Murphy amendment it will be a lot more palatable to a lot of us. I, therefore, urge you to support this amendment.

SPEAKER LUEDTKE: Chair recognizes Senator Keyes. Do you wish to speak again?

SENATOR KEYES: I'd like to ask Senator Hefner a question.

SPEAKER LUEDTKE: Senator Hefner, would you respond to Senator Keyes.

SENATOR KEYES: Senator Hefner, in your business I want you to tell me the sales tax you pay on trucks. Which ones do you pay sales tax on?

SENATOR HEFNER: You mean on the corporation?

SENATOR KEYES: Yes, the permits that they have and so forth. Just explain to this group here what your sales tax is.

SENATOR HEFNER: Okay. The business that I operate is a corporation. We bought a new truck last November.

SENATOR KEYES: What do you do with that truck?

SENATOR HEFNER: We haul feed with it, we haul fertilizer with it, we haul petroleum products with it.

SENATOR KEYES: What kind of a license does it have?

SENATOR HEFNER: We have a commercial license on it.

SENATOR KEYES: You don't have an ICC permit on it, do you?

SENATOR HEFNER: No, we don't. We don't need an ICC permit.

SENATOR KEYES: Do you have trucks that have IC permits?

SENATOR HEFNER: No, we don't because we're hauling our own product. The sales tax on this one particular truck was \$500.

SENATOR KEYES: It wasn't quite that much on my mobile home, but it was about as much.

SENATOR HEFNER: Yes, so these corporations do pay sales tax, they pay a lot of it.

SENATOR KEYES: I just thought you were talking about the sales tax on certain trucking industry. Certain aspects of the trucking industry is exempt from sales tax. I just wanted you to know that.

SENATOR HEFNER: Also, Senator Keyes, we pay sales tax on all of our supplies.

SENATOR KEYES: Well I never said you did operate (inaudible) income tax. I never said that. But there are certain aspects of the trucking industry that is exempt.
